## Procedures for Requesting Public Records

All requests for the inspection and copying of non-exempt public records pursuant to the Act must be made in writing, preferably on a Village FOIA form. The request may be made in person, between the hours of 8:00 a.m. – 4:30 p.m. Monday through Friday, except on holidays. The Village shall also accept FOIA requests received via electronic mail, and through the United States mail. The Village shall only be responsible for responding to requests that it actually receives and shall not be responsible for transmission or delivery error for FOIA requests that are submitted through alternative means. Any FOIA request received by the Village after normal business hours, as set forth above, shall be considered received on the following business day.

Requests for Police Division information (i.e. Accident Reports) shall be submitted to:

Office of Village Clerk  
Attn: Deputy Village Clerk

The Village will respond to all FOIA requests within five working days of its receipt. The Village may give notice of an extension of time to respond which does not exceed an additional 5 working days, or a total of 10 working days from the written request. Such an extension is allowable only if written notice is provided within the original 5 working day time limit and only for the reasons provided in Section 3(d) of the FOIA (5 ILCS 140/3(d)). Such notice of extension shall state the reasons why the extension is necessary.

The Village shall respond to a request for public records in one of the following ways:

- Approve the request;
- Approve in part and deny in part;
- Deny the request;
- Give notice of an extension

Upon approval of a request for public records, the Village may either provide the materials immediately; give notice that the materials shall be made available upon payment of reproduction costs, or give notice of the time and place for inspection of records.
