

ORDINANCE NO. 14-22

**ORDINANCE AUTHORIZING RENEWAL OF
AGGREGATION PROGRAM FOR ELECTRICAL LOAD**

WHEREAS, Under Section 1-92 of the Illinois Power Agency Act, 20 ILCS 3855/1-1, et seq., (the "Act") a municipality may operate an electric aggregation program as an opt-out program for residential and small commercial retail customers, if a referendum is passed by a majority vote of the residents pursuant to the requirements under the Act; and

WHEREAS, the Village of Manteno, Illinois ("Village") submitted the question to referendum and a majority of the electors voting on the question voted in the affirmative; and

WHEREAS, the Village subsequently implemented its initial opt-out aggregation program in 2013 with the term of the supplier agreement to end based on scheduled final meter read dates in February 2015; and

WHEREAS over 2975 resident and small commercial retail accounts were originally enrolled in the program, and the aggregate savings for the first 19 months of the program have totaled \$200 per household and \$550,000 throughout the entire community; and

WHEREAS, the Corporate Authorities hereby find that it is in the best interest of the Village to continue to operate the aggregation program under the Act as an opt-out program and to enter into an additional contract with a supplier pursuant to the terms of the Act. However, the final decision will be based upon market pricing and the Village retains the option of suspending the program and returning all participants back to Commonwealth Edison.

enter into service agreements to facilitate for those loads the sale and purchase of electricity and related services and equipment.

- B. The Aggregation Program for the Village shall continue to operate as an opt-out program for residential and small commercial retail customers.
